

BRITTNEY "BRIE" MATTIOLI

Board Certified Music Therapist, MS, BA, MT-BC

ABSTRACT

Brie is a passionate and accomplished Music Therapist, national presenter, published author, professional musician, and entrepreneur. Brie graduated summa cum laude from Berklee College of Music and since then has worked in two of the top ten children's hospitals nationally. Brie specializes in perinatal, pediatric, psychiatric, and palliative care. She practices with an eclectic, positive, creative and holistic lens, honoring the highest integrity of ethical values. Brie is a strong advocate for the powerful efficacy of expressive arts therapies, especially for mental health and intensive care settings. Brie has recently achieved her Masters in Clinical Psychology and has aspirations to pursue doctoral licensure. Brie currently runs her private practice, Butterfly Beats Music Therapy & Holistic Healing, which was inspired by the vision to expand and promote accessibility for music therapy and sound healing services to a broader community.
